Autumn '87

Greetings -- Welcome to the Fall 1987 WXDU program guide. For those of you who've picked up this publication in the past, you know what it's all about, but for the benefit of you newcomers, let me do a little explaining. Included within is WXDU's current schedule, so you can locate your favorite DJ's and also find out about other 'XDU shows. You'll also find plenty of other information about specialty shows and programs, giveaways, and lots more. We hope you'll use this guide to expose yourself to WXDU. At WXDU we aim to bring you, the listener, the best in brand new music - all types of new music. From rock 'n' roll and reggae to the best in new jazz, WXDU wants to broaden your musical horizons. If you're listening and you hear something you like (or if there is something in particular you'd like to hear) give our DJ's a call at 684-8870 or 684-8871. Also, keep listening for record and ticket giveaways as well as WXDU sponsored events both on and off campus. The bottom line is that WXDU is your new music resource, and I hope this little guide makes listening all the more enjoyable!
